* Submitting Fairness Requests:

You must also submit a fairness request if:

- -you do not wish to take a subject that you have not passed the third time (e.g. an alternative subject or a free elective course) for the fourth time,
- -you do not wish to take the subject in the following semester,
- -you wish to request a passive semester for the following semester.

The request for fairness must state the reasons for the fairness request. The described reasons must be duly justified, and the justification must be attached to the request. It is not possible to make up any shortfall after the deadline for submitting the request form.

The deadline shall be final. If a request is not submitted by the deadline, the student will be expelled.

When you submit a request, the deadline shown means the time by which the request must arrive at the Office of Educational Administration.
